## **Sechaba Cautionary Announcement**

The Board of Sechaba Brewery Holdings Limited (SBHL) has announced that the unaudited results for the half year ended 30 June 2022 will be higher than those reported for the half year ended 30 June 2021. The profit before tax is expected to be between 22% and 27% higher. This translates to an increase of between P18 million and P22 million from the profit before tax for the half year ended 30 June 2021, which was P81 million. The improvement is attributed to strategies employed by SBHL associate companies in their quest to continuously enhance their performance. The process of finalising the results is still underway and full details on SBHL performance will be shared when the financial results are released on or before 30 September 2022. Accordingly, the shareholders of SBHL have been advised to exercise caution when trading in the company's securities until a full announcement is made.
